GREEN POSTERS CALL FOR ENTRIES

This year we are celebrating the 40th anniversary of Earth Day. To mark this momentous occasion we are soliciting the help of local artists professional or amateur to create a poster that illustrates one of the pivotal milestones of the last 40 years.

The only requirement of this event is that all poster entries must be 12" x 18" in dimension and include the printed poster and a digital format (pdf, jpg or tiff) with the submission. Entries must be submitted to the Earth Day Planning Committee by April 5.

To register and learn more visit lincolnearthday.org/poster.asp.
